JIM HOPSON

PRESIDENT AND CEO

Jim Hopson came on board in 2005 as the Roughriders' first Chief Executive Officer and over the past six years, fans have seen many changes on and off the field. The changes and a focus on excellence in all areas of the operation have seen the Riders reach the Grey Cup three times in the last four years, winning the 2007 Grey Cup championship. A new level of expectations has been set and Jim is focused on building long term stability with championship level football supported by strong business acumen.

There has been a renewed focus on community involvement by the club and a significant number of players are now working in and making Saskatchewan their year round home and being very involved in the community. Jim leads by example as he and his wife Brenda spend numerous hours in the provincial community speaking to community groups, at charity events, and presenting to business groups.

Off the field the Riders continue to excel as a business and achieve record profits. Over the past few years, the organization has won Paragon Awards for both marketing and community involvement; been named as one of Saskatchewan's Top 100 companies: selected one of Saskatchewan's Top 20 Employers; a regional winner for Most Admired Corporate Culture; and an Honorary ABEX Award Winner. These have all been steps in achieving the level of excellence Jim desires for the organization.

Personally, Jim has been named one of the Power 50 of Canadian Sports by the Globe and Mail; been recognized by Saskatchewan Business Magazine as one of the province's most influential men; inducted into the Junior Achievement Business Hall of Fame; and was recently awarded the International Communication and Leadership Award by Toastmasters International.

Jim's roots in Saskatchewan football run deep. He began his football career in high school with the Thom Collegiate Trojans. He then went on to play for the Regina Rams prior to joining the Saskatchewan Roughriders in 1973. He became a starter in 1974 and lined up at guard or tackle for each game during the season. Jim played four seasons with Saskatchewan and helped open holes for the likes of legendary back George Reed, and in protecting quarterbacking great Ron Lancaster.

Jim was able to combine teaching in Lumsden with playing professional football during the 1975 and 1976 seasons, but after playing in the 1976 Grey Cup he retired from football to concentrate on his career in education. He ultimately spent 30 years as a teacher, principal and Director of Education/CEO in Saskatchewan.

Jim has two children – Carrie who is a member of the large Rider nation in Calgary and Tyler who resides in Regina.

After spending the last three seasons as head coach of the Riders, Miller will step off the sidelines and focus on football operations as Vice-President of the department - a title he added prior to last season.

Over the course of his time as head coach of the Riders, Miller guided the team to three home playoff games and two consecutive Grey Cup appearances. He also received three consecutive nominations for CFL Coach of the Year for each season he was bench boss with the Green and White.

Miller originally joined the Green and White as the team's offensive coordinator in 2007 and was instrumental in a Rider offence that led the CFL in touchdowns in route to winning the Grey Cup.

Prior to joining the Riders, Miller spent his previous five seasons coaching with the Toronto Argonauts. In 2006 Miller moved to the defensive side of the ball where he handled the defensive line. From 2003-2005, Miller was in charge of the Argo's offensive line which enabled Damon Allen to have a career season where he was named the league's Most Valuable Player in 2004. The team also went on to win the Grey Cup in that same season. Miller started his CFL coaching career when he was in charge of the Argonaut quarterbacks in 2002.

Prior to joining the CFL, Miller spent nearly four decades in various coaching capacities at the university and high school level in Southern California. He joined the University of Redlands as a part-time coach in 1977 instructing the offensive line. In 1984 he made the move to full-time football head coach at Redlands and held that post until 1988. Miller also took up the position of head baseball coach at Redlands in 1986. In 1988, Miller continued coaching baseball, but switched to offensive coordinator on the football team. In 1994, Miller switched to the defensive side of the ball as a coordinator. He moved back to the offensive side of the ball in 1995 and held the offensive coordinator position until his retirement in the spring of 2001.

Miller started his coaching career as a student assistant coach with Dickinson State in 1966. He coached high school football 1967-1969 in Oregon and continued coaching at Yucaipa high school in southern California from 1970-76.

Miller grew up in Oregon and went to Dickinson State where he majored in Physical Education and Biology. He received his Masters in Education from Azusa Pacific.

HISTORY

Organized football in Saskatchewan began on Tuesday, September 13, 1910 with the formation of the Regina Rugby Club. The original idea was for the team to be a rowing club, but three-down football soon found its way to Saskatchewan. The original colours of the Regina Rugby Club were gold and purple. The team lost its first game 7-6 to Moose Jaw.

The next season, the team changed its colours to blue and white to match the Regina Amateur Athletic Association. A third colour change occurred in 1912 when they changed to red and black, which they would keep for the next 36 years.

In 1924, the team changed its name from the Regina Rugby Club to the Regina Roughriders.

Ottawa's Rugby Club had been called the Rough Riders since the 1890's, but dropped it in favor of the "Senators" in 1924. Regina jumped at the chance to adopt the name "Roughriders".

There are two theories on where the name "Roughriders" came from. One states that it came from the North West Mounted Police who were called Roughriders because they broke the wild horse broncos used by the force. The other states there was a Canadian contingent who fought with Teddy Roosevelt in the Spanish-American War. Roosevelt's troops became known as the Roughriders. Following the war, the troops returned to Canada, part settling in Ottawa, and the rest moving out West. The colours of the Roosevelt infantry were red and black.

In 1921, East-West interlocking games began being played for the Canadian Championship symbolized by the Grey Cup.

Lacking suitable opposition in this province, in 1936, Regina banded with Winnipeg to form the Western Conference.

The year 1948 was a milestone one for the Roughriders. With the folding of both clubs in Moose Jaw and Saskatoon, the Regina Roughriders became a provincially-owned and -operated club, surviving only on the undying support from the entire province. They became the SASKATCHEWAN ROUGHRIDERS".

The team also changed its colours in 1948 to the familiar Green and White. The team was in bad need of new uniforms, and when executive member Jack Fyffe found a set of green and white jerseys at a surplus store in Chicago, for pure economic reasons, the 50 year legacy of the "Green and White" was born and has existed to this day.

In 1956, the Roughriders suffered a terrible tragedy when players Gordon Sturtridge (#73), Mel Beckett (#40), Ray Syrnyk (#56) and Mario Demarco (#55) were killed in a plane crash while returning from an all-star game in Vancouver. Flight #810 crashed into Mt. Slesse in the Coastal Mountains just south of Chilliwack, B.C. The four players' uniforms are among the eight Roughrider numbers retired by the club. Dave Ridgway (#36), Ron Lancaster (#23), George Reed (#34) and Roger Aldag (#44) are the others.

Ten years removed from the tragic accident, the Roughriders, with coach Eagle Keys at the helm, saw their first great achievement. By defeating the Ottawa Rough Riders 29-14 in Vancouver's Empire Stadium on November 26th, 1966, Saskatchewan captured its first Grey Cup championship. Lancaster and Reed played key roles in leading the Riders to their first national title.

The Riders remained one of the best teams in the CFL for nearly 15 years, making the post-season every year from 1962 to 1976. Included in that span was five Grey Cup appearances, 1966 (which they won), 1967, '69, '72 and '76.

The Roughriders would update their look one more time in 1985, adding black and silver to the Green and White, and featuring a new stylized 'S' logo.

The team had several lean years during the late-'70s and early 1980s, where poor on-field performances led to even worse gates. However, fans remained positive that a turn-around would soon come and it did, by way of one of the best Grey Cup games ever played.

On November 19, 1989, kicker Dave Ridgway nailed a 35-yard last minute field goal to seal the Roughriders' second ever Grey Cup championship with a 43-40 victory over the Hamilton Tiger-Cats at Toronto's SkyDome.

The Riders reached the pinnacle of the CFL for the third time in the team's history when they captured the Grey Cup in Toronto on November 25, 2007 after defeating the Winnipeg Blue Bombers 23-19.

Canada's Team has now made the playoffs nine straight years, including six appearances in the Western Division Finals since 2003 and three Grey Cup appearances in the last four seasons.

The team continues to strive for excellence both on and off the field. With three Grey Cup championships, there is no question this team is primed to continue adding to its storied history and they are just getting started!

The home of the Saskatchewan Roughriders has a long and proud history. From its earliest days as a simple Rugby field to its current stature as home to the 1995 and 2003 Grey Cups, Mosaic Stadium certainly has a storied past.

The first Rider teams played on the field of Park Hughes (located at the current Mosaic Stadium site). Families would come and circle the rugby field to watch the games. Over the years, temporary seating was put in place for fans, but many came and chose to sit on the grass and watch their favourite team.

In 1927, to accommodate the growing number of fans, Park Hughes and the adjoining Park de Young were reconfigured to provide a better venue. More seating was added, but spectators still showed up and parked their cars at the touchline to watch the action.

In 1936, a number of improvements were made to the field to make the fans more comfortable. Gone were the days of fans sitting along the sideline or jostling for position to see the action. New seating was built to accommodate the growing crowds. Also, a new press box was built and facilities were provided for radio broadcasts of the games.

In 1946, another major improvement was made to Park de Young. Prior to that year, the field at the site had never had turf. Each season, a new load of topsoil was dumped on the field to make it playable. Due to the dry Saskatchewan summers, the park became a dustbowl by the end of the season. But in 1946, the Regina Recreation Board agreed to seed the field to provide a quality surface for games to be played.

The year 1947 marked the renaming of Park de Young. The year before, Neil "Piffles" Taylor passed away. An instrumental part of the early development of the Roughriders, Taylor had been a player, coach, and executive for the team since its founding. Following Taylor's sudden death at the age of 48, the City of Regina renamed the Riders' home, Taylor Field.

In 1948, a $47,000 investment was made to build a 4,500-seat grandstand on the west side of the playing area.

For the next several years the stadium remained relatively unchanged. It wasn't until the mid-1970s when it was agreed that it was time to move Taylor Field into the future. A major renovation was done to the stadium, which included the addition of a second level to the west-side grandstand, new offices and dressing room facilities as well as new artificial turf. The renovations allowed the Riders to move all operations into Taylor Field. It was a major step forward for the team.

In 1988, the Roughriders replaced the first artificial turf with a new type of system called OmniTurf. Unlike AstroTurf, OmniTurf was an inlay turf system, which relied on 300 tons of sand to hold it in place (rather than the traditional glued-down system). Over the years, a number of problems occurred with this system and it eventually became necessary to replace it prior to its usable age being reached.

In 1995, the Roughriders' hosted the Grey Cup for the first time.

In conjunction with this, a number of renovations were needed for the stadium to meet the Canadian Football League standards. The existing press box area on the west side of the stadium was renovated resulting in a new area called Club Seating West.

The area was built as a VIP area for the Grey Cup and later became corporate seating for the Riders. Because the new Club Seating area was built, displacing the media from their old seats, another area was needed as a media centre for the championship game. A new Club Seating East area was built on top of the existing east side stands. It was used to house all the visiting media for the big game. Following that, it was split, creating a new Roughrider media centre as well as more corporate seating for the organization.

In 2000, the Roughriders undertook a new turf project. In anticipation of hosting the 2003 Grey Cup, the team began to search out funding to replace the old OmniTurf. Due to great support from the community, the project was accomplished a year ahead of schedule and the new AstroTurf was in place prior to the beginning of the 2000 CFL season.

In preparation for the 2003 Grey Cup, temporary stands were built in the north and south endzones, enabling the grand ol' stadium to hold 51,000 spectators for the 91st Grey Cup championship on November 16th.

With a windfall of just over $2 million in revenue from that Grey Cup, as well as an on-going share offering to its fans, the Roughriders have begun to use this new capital to leverage funds to enhance the stadium even more.

Plans were unveiled in December, 2004 to upgrade the facility and take the stadium into the future.

A state-of-the-art video board, sponsored by SaskTel, was unveiled in time for the 2005 season. The SaskTel MaxTron enabled the Roughriders and their fans to watch replays, be entertained and bring the CFL franchise in line with the other member clubs.

A new sound system was also installed in 2005 as well as many other improvements to the east side, including washrooms, concessions and refurbished seats. In the south endzone, a VIP deck and stands were put in place for the start of the 2006 season, allowing the football club to host its corporate game day sponsors.

Prior to the 2007 CFL season, the Roughriders and the City of Regina partnered together to have FieldTurf installed at Mosaic Stadium. The upgrade to the playing surface has already brought forth numerous benefits to not only the Roughriders but all local amateur football teams who utilize the facility.

As more upgrades to the stadium are planned, the football club, in conjunction with The City of Regina, embarked on a 10-year journey with a global, yet grassroots partner in Mosaic Stadium back in 2006. Now, the place where so many legends have played, will be known as Mosaic Stadium.

The football club will also pay tribute to the stadium's first namesake, Piffles Taylor, by way of reconstructing the monument at the stadium entrance in order to bring more attention to this important figure in Roughrider history. Most recently the name of the street in front of the stadium has been changed to read "Piffles Taylor Way".

Without question, the home of the Green and White will continue to remake itself to meet the needs of the League, the Saskatchewan Roughrider Football Club and its fans. But no matter what changes lay ahead, the history and appeal of Mosaic Stadium remains unmatched in the CFL.

The Saskatchewan Roughriders are proud to be a community leader in our province and it's our goal to continue to make a difference in the lives of our fans. During the past year our players, coaches and staff made hundreds of community appearances and spent countless hours supporting charitable causes in every corner of the province. In 2010 the commitment provided by the Rider organization had a direct financial impact to not-for-profits and various charity groups of over $1.6 million.

ROUGHRIDER LEGACY FUND

The Saskatchewan Roughriders will continue to build on the success of last year's Centennial celebration with a newly formed Centennial Legacy Fund. The organization has initiated this ongoing program and has dedicated the $650,000 in Centennial profits to help support minor football throughout the province. It's our way of giving back to the community that has given us so much over the past 100 years!

FOOTBALL SASK / AMATEUR FOOTBALL

Each year, the Roughriders contribute proceeds from the University of Regina Rams 50/50 draw to support Football Saskatchewan and, in turn, amateur football across the province. Four organizations: Football Saskatchewan, the University of Saskatchewan Huskies, Saskatoon Hilltops and Regina Thunder each received a cheque for $41,132.00 from the Club as a result of 2010 proceeds. The Club also assists in numerous youth football programs and projects in an effort to more fully support the roots of football in our province.

PLAYER APPEARANCES

The Riders were extremely busy in the community in 2010 as the players spent approximately 1,000 hours appearing throughout the province. This does not take into account the hundreds of additional hours spent by other Rider personnel in the community. Members from our organization have travelled thousands of kilometres across the province supporting worthwhile events such as school visits, football practices, hospital visits and numerous other charitable activities.

CANADIAN BLOOD SERVICES "BLEED GREEN" CAMPAIGN

This past year the Saskatchewan Roughriders partnererd with Canadian Blood Services for the Bleed Green Campaign. This season long promotion was designed to inspire Rider fans to give blood and save lives. Over the six-month campaign the Canadian Blood Services received about 14 per cent more donation appointment bookings compared to the previous year. That represents an additional 700 appointments which converts to an additional 405 extra lives being saved.

PLAYER PENNANT PROGRAM

During the 2010 season, the Riders produced a collectable series of ten Player Pennants. Each game showcased a new pennant featuring a different player and local charity. Volunteers sold the pennants outside the stadium before and during game days with the proceeds going back to the individual charities. In 2010, the Roughrider Player Pennant Program provided cheques to these groups totalling more than $70,000.

RIDER PRIDE HOCKEY CHALLENGE *PRESENTED BY SASKCANOLA*

As a follow-up to our very successful Centennial celebrations and as a way to rejuvenate our Rider hockey team, the Club decided to visit the finalists from last summer's "Where is Riderville?" contest and to participate in a friendly charity hockey game. We had as many as ten active players who traded in their football cleats for skates in support of this very entertaining community initiative. Players were welcomed with open arms into these communities regardless of their hockey skills or lack thereof! This initiative resulted in assisting these communities to raise funds for their own local sport programs and various capital projects. The response was overwhelming and the banquets and charity hockey games were a wonderful catalyst for community pride. The people of Unity, Nipawin, Weyburn and Avonlea raised a combined total of more than $60,000. All indications point to another Rider Pride Hockey Challenge, presented by SaskCanola, next winter.

KIDSPORT SASKATCHEWAN

During 2010, the Club continued its active support of KidSport Saskatchewan. The Riders had five players who stepped up to be KidSport Ambassadors and participated in numerous appearances throughout the province. In addition the club provided substantial support towards the annual SaskEnergy/Saskatchewan Roughrider Calendar. This included numerous player appearances around the province along with substantial support towards the annual SaskEnergy/Saskatchewan Roughrider Calendar. Last year's calendar featured Rider players past and present and was a huge fundraising success due to the support of numerous community minded volunteers and businesses. The Club is proud to be a part of this popular calendar that raised over $140,000 towards KidSport initiatives through the province.

LITERACY (RAISE-A-READER)

Once again, the Club was involved in supporting Family Literacy through the Raise-a-Reader Program as coordinated by The Leader-Post (southern Saskatchewan) and The StarPhoenix (Northern Saskatchewan) newspapers. This annual event focuses on raising awareness and funds towards dozens of grass-roots literacy organizations and programs across the province. Each year, several players volunteer to distribute newspapers in exchange for donations. The Roughriders are pleased to be a part this vital program which raised a total of $148,000 on Raise-a-Reader Day in 2010.

FINE FOODS COMMUNITY YOUTH CHALLENGE (CYC PROGRAM)

For the 8th consecutive year, the Club has partnered with Triple Four Advertising in support of the Fine Foods/Express Foods Community Youth Challenge. This year, Rider players travelled to more than 60 communities to share their experiences and to help youth overcome pressure and obstacles in their lives.The CYC Program also provides two $2,500 scholarships each year.

HEALTHY KIDS SCHOOL PROGRAM

The Riders were pleased to partner with the Healthy Kids School Challenge Program this past school year. This Ministry of Education initiative encourages kids to participate in 30 minutes of daily physical activity and eat nutritious food at school. As a partner of this program, Rider players visited the most active and healthy classrooms in the province. Players handed out a Healthy Kids School Challenge t-shirt to each student in the winning classroom and contributed four footballs into the school's sports equipment inventory. The grand prize includes a visit to the Rider fitness facility, a healthy lunch with some of the players and a trip to Mosaic Stadium for the pre-season game. Presently there are in excess of 160 schools registered for this program throughout the province.

Gainer the Gopher has been a member of the Green and White family for over 30 years now. In that time he has become a Saskatchewan icon while continually breaking down the barriers between man and rodent.

Gainer was one of 38 children born to Dwayne and Agnes Gopher, owners of a small trenching and excavation company in Parkbeg, Saskatchewan. Although his parents always knew Gainer was different from his siblings, they never in their wildest dreams ever expected one of their own to become a true Saskatchewan icon.

Back in 1977, Gainer bought a ticket to see his favourite football team play for the very first time. Immediately after entering the stadium, the lovable gopher knew he had found his destiny. After leading the crowd in a variety of cheers that day, the Roughriders hired Gainer on the spot and the rest is now history.

Since that special day, Gainer can always be found rallying the fans at Mosaic Stadium. His energy, his enthusiasm and his dance capabilities still remain unmatched by any other CFL mascot. His ingenuity continues to break new ground and in the end, Gainer the Gopher continually proves that he truly is one of a kind.

Over the years, Gainer has grown and evolved into a high-spirited rodent for all to love. In 2006 an important transition took place as Gainer the Gopher first donned his new jersey bearing the number 13 making him an ambassador for all Saskatchewan Roughrider fans. Last year when the Riders celebrated their Centennial, Gainer underwent a number change as he proudly will wear 100 to mark the celebrations taking place in Riderville over the course of this momentous Centennial year. This season Gainer will once again represent the ever-important Rider fans as he will reclaim the number 13.

620 CKRM
RIDER CHEERLEADING TEAM

Once again the **620 CKRM Rider Cheerleading Team** will entertain fans with their co-ed, collegiate style of cheering. The team combines high-flying aerial skills, stunting, and tumbling with upbeat dancing to bring the crowd full-spectrum entertainment.

This year's edition of the team consists of eight males and 30 females with a large portion of the athletes residing outside the Regina area giving great representation to the entire Province of Saskatchewan.

The 620 CKRM Rider Cheerleading Team will once again share their skills and expertise with aspiring youngsters as they will host a weekend camp which will bring game day performance opportunities for two different youth age groups - Little Rider Cheer Day for those aged 5-12 and Junior Rider Cheer Day for those aged 13-18.

When the athletes aren't practicing or performing they keep busy out in the provincial community. Last year they made over 60 appearances in over 14 different regions of the province.

In addition the team takes its training seriously and work with Jeff Petryna, our team trainer, at Level 10 Fitness.

Keep your eye out for the new edition of the team's calendar in July. This is a key fundraiser and is available from all athletes as well as in the Rider stores.

The team is excited for another exciting football season!

At home or on the road, trust Rod Pedersen, Carm Carteri and the entire 620 CKRM Rider Radio football crew to provide Roughrider fans with the CFL's best Game Day coverage.

THE BROADCAST TEAM

Rod Pedersen is entering his 13th season as the play-by-play voice of the Saskatchewan Roughriders. The 38-year old product of Milestone, SK has worked in the sports broadcasting business for the past 16 years after attending Mount Royal College in Calgary in the Broadcasting Faculty. Rod's career has included stints at CFSL Radio in Weyburn, CKBI Radio in Prince Albert and currently with CKRM Radio in Regina. He worked as the Voice of the Regina Pats from 1995 until 2010 and became the Voice of the Riders in 1999. As the Sports Director at Harvard Broadcasting, Rod can be heard on the 620 CKRM morning show, as well as every night on Saskatchewan's top-rated sports radio talk show, "Sportscage". Rod's involvement on Rider games dates back to 1991 when he was sideline reporter and host of Roughrider Warm-up on CKRM. That summer he was also the Voice of the Regina Rams. In 2003, Rod was inducted into the Rural Sports Hall of Fame in Indian Head, Sk.

Carmelo Carteri was born and raised in Regina. Carm is a graduate of O'Neill high school, where he began his football career. Carm was an MVP on O'Neill's first city and provincial high school football championship teams. Following his high school career, the linebacker accepted a scholarship to Porterville, CA to attend junior college and play football. He achieved MVP honours once again before moving on to the University of Montana. Carm was the first pick of the Ottawa Rough Riders in 1979, beginning a six-year career in the Canadian Football League that saw him spend three seasons with the Roughriders, two as a Tiger-Cat in Hamilton and one season in Montreal. Carm was an Eastern All-star linebacker in 1981 with Hamilton. Carm is entering his 23rd year as a colour commentator for 620 CKRM Rider Radio. His knowledge of the game and of the Saskatchewan Roughrider Football Club is instrumental in the success of each Rider broadcast.

ATTENDING PRACTICE

Saskatchewan Roughrider practices are open to the media and the general public. On special occasions the Roughriders may close practice to the media and public. The Roughriders will have a designated communications staff member attend all practices to assist the media.

FILMING AT PRACTICE

Television crews are welcome to film Saskatchewan Roughrider practices provided they adhere to Head Coach Greg Marshall's guidelines. Filming is available during fundamental drills and individual drills at the beginning of practices only. There may be an opportunity to film individual player's during team drills, but must be arranged with the communications department prior to the practice. Tripods are permitted at practice but must be at least five yards off the sidelines and attended to at all times.

GREG MARSHALL INTERVIEWS

Head Coach Greg Marshall will be available to the media on practice days (times to be determined.) Roughrider assistant coaches and staff members will also be available to the media at this time. PLEASE NOTE: All media requests MUST be arranged through Ryan Whippler, Director of Communications or Sheri Trapp, Communications Coordinator.

PLAYER REQUESTS

All player interviews must be arranged through Ryan Whippler, Director of Communications or Sheri Trapp, Communications Coordinator. All players will be available for media interviews on practice days (times to be determined.) The Roughrider meeting rooms and training room are off-limits to all media personnel.

PHONE INTERVIEWS

All phone interview requests MUST be made through Ryan Whippler, Director of Communications or Sheri Trapp, Communications Coordinator. The Roughrider Communications department will make every effort to have the players available on request. One-day notice prior to interview time is preferred.

ACCREDITATION

Members of the sports media, who do not have season media credentials, must request single game accreditation at least 48 hours prior to game time. All requests are to be faxed to the Communications Department at (306) 566-4224. All accredited media can pick up their credentials from the Roughrider reception desk in the Ticket Office. Please Note: Credentials are not transferable.

DAY PRIOR TO ROUGHRIDER HOME GAMES

On the day before a Roughrider home game, all player and assistant coach interviews will be conducted directly after practice. Coach Marshall will address the media at his pre-game media conference, which will be held in the Green and White Lounge.

GAME DAY

On game day the locker room will be CLOSED to all media until approximately 15 minutes after the game. The locker room will be opened after Coach Greg Marshall has addressed the team. Coach Marshall will proceed to the CKRM Radio post game show in the Roughrider weight room. Right after his interview on the radio, Coach Marshall will hold a media conference in the Team's meeting room directly adjacent to the Roughrider locker room. The post game media conference is for accredited media only.

GAME DAY PHOTOGRAPHERS

The CFL and Saskatchewan Roughriders have established a sideline control policy. West sideline photography passes will only be issued to daily newspapers, recognized sports publications or news services. All weekly newspapers, minor sports publications and freelance photographers will be permitted to shoot from the East sidelines. No one except network television and authorized game personnel will be admitted to the sidelines without a camera. It is understood that all credentials will be used for the purpose they were issued, without exception. Violation of this policy will subject the bearer to ejection from Mosaic Stadium and have the media privileges revoked.

MEDIA CENTRE SERVICES

The Saskatchewan Media Centre is for working members of the media only. Cheerleading is not permitted, as this is a professional working environment.

Press Box Phone Number: (306) 566-4227. Food and Beverage Service: Complimentary soft drinks and coffee are available to the media during the game.
